## PRESS RELEASE No 08/19

The Federal Bureau of Maritime Casualty Investigation (BSU) published the preliminary safety recommendations pertaining to the ongoing investigation involving the collision of CMV ASTROSPRINTER with the traditional vessel No 5 Elbe on the river Elbe off Stadersand (8 June 2019) on 22 July 2019.

These preliminary safety recommendations are addressed to the Federal Ministry of Transport and Digital Infrastructure (BMVI), the owner and operator of the pilot schooner No 5 ELBE and the owners and operators of traditional vessels.

The safety recommendations regarding the ongoing investigation are available on:

[https://www.bsu-bund.de/EN/Publications/Sicherheitsempfehlungen/laufende Untersuchungen](https://www.bsu-bund.de/EN/Publications/Sicherheitsempfehlungen/laufende_Untersuchungen)

All investigations reports, safety recommendations as well as other publications are available on
